

PERSONNEL REQUIREMENTS - INTELLIGENCE SCHOOL, OTR

1. The Intelligence School requests an additional position on its present T/O. The person filling this position would serve as a research assistant to the instructors offering the course on World Communism. It is believed that a qualified employee at GS-9 to GS-11 level can be found for such a position.

2. The duties of the research assistant would consist mainly of (a) scanning the voluminous literature pertaining to the International Communist Movement and preparing, under the direction of the chief instructor of the course, such reports, abstracts, and training papers as would be useful to the instructors, and (b) editing for future training use the best research papers written by students in the course. With their present internal training schedule and requirements for special training assignments abroad, the instructors do not have time to review all the pertinent material from overt and classified sources.
